

CHEENA PUBLIC SCHOOL

Moosanagar Road, Near Raha Mod, Ghatampur, Kanpur Nagar-

Curriculum

Curriculum

Cheena Public School, Ghatampur is affiliated to the Central Board of Secondary Education (CBSE). The school offers a wide range of academic choices. The subjects offered are grouped under the following departments –

- English
- Hindi
- Science
- Social Science
- Mathematics
- Commerce

- Information Technology
- Art
- Music
- Physical Education
- Humanities

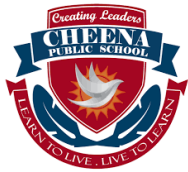

The school is academically divided in three blocks –

Primary Block – Grade I to V

Middle Block – Grade VI to VIII

Senior Block – Grade IX to XII

The curriculum encourages students to develop an understanding of the key concepts and ideas. In this way a sound base is built to equip students with the appropriate attitudes and skills. Students learn scholastic as well as non scholastic skills which aid their overall development. With a complementing physical education curriculum spanning over athletics gymnastics and karate among others, the school promotes the emotional, spiritual and physical well being of every child.

Moosanagar Road, Near Raha Mod, Ghatampur, Kanpur Nagar-

Curriculum

All the Academic blocks are administered by a well trained and dedicated teaching staff under the supervision of the Principal. The teaching process is facilitated by different laboratories viz Science, English Lab, Math's Lab and Geography Lab.

Pupils are encouraged to explore more and be the independent learners for which each block has its own computer lab as well.

To cater to the various academic requirements and to create conducive learning environment the pre-Primary block has separate play area, activity room, science room and art room.
